### About Company:

Ultimate Reality Foundation (URF) is a non-profit organization actively working for the social and economic development of communities across Odisha. Our organization focuses on multiple sectors including children welfare, health, women empowerment, environment, disaster management, and legal awareness.

We are committed to creating a better society by implementing impactful programs that support education, healthcare, environmental sustainability, and human rights. Our initiatives aim to uplift underprivileged communities and bring positive change at the grassroots level.

### Our Mission

Our mission is to improve the quality of life of people by providing support in education, health, women empowerment, and sustainable development. We strive to build awareness, provide opportunities, and empower communities for a better future.

### Our Vision

To build a strong, self-reliant, and empowered society where every individual has access to basic rights, education, healthcare, and equal opportunities.

### Our Working Areas

- Children Development
